

CAMPERVANS 2022

#wohnfühlen

Experience unforgettable moments in a place where you have everything to be happy:
**We call it
WOHNFÜHLEN.**

How do freedom, adventure and nature balance with relaxation, cosiness and security? Your Bürstner will answer that for you! It is your space for all those happy moments. It is spontaneous and flexible, yet familiar and homely. In a nutshell: it is your favourite place - wherever you find yourself.

"The premier class of Bürstner campervans."

Get Started

The Eliseo combines van life and maximum comfort in a compact space, so that you can easily get started anytime, anywhere. No matter whether sporting activities, weekend trips or summer holidays – the Eliseo is the right choice for every situation. Choose between the five floor plans and numerous design options, such as the optional "Active Package".

"With the Eliseo, we also meet the highest standards of design and comfort in the Campervan segment. A perfect interior was conjured up in which colors, shapes and materials harmonize wonderfully."
Tatjana Afra-Weißelbaum, #wohnfühldesigner

More than a vehicle

Travelling with a campervan is not only another way to go on vacation, but a way of life. The dream of being on the road with your motorhome and all you need. The Bürstner brand stands for this dream like no other. We do everything to ensure that the feeling of space, furniture design and functionality are perfectly coordinated. In this way, the joy of being on the road together, living and experiencing can be rediscovered every day. Drive to your favourite places, in your favourite place.

Become a star Chef

Fish straight from the sea, fruit straight from the tree and crunchy vegetables from the local market- in your van you can conjure up delicious dishes using the freshest ingredients. State-of-the-art gas cookers, drawers with soft-close function, cleverly positioned refrigerators: Bürstner kitchens fulfil all your wishes. Because good cuisine is the foundation of all happiness.

Sweet dreams

In a Bürstner you can enjoy the relaxation you need after an eventful day and recharge your batteries for new adventures. Whether single beds, double beds or a pop-top roof – there is something for everyone. There are also clever comfort ideas that make sleeping in any position very comfortable. Sleep well and dream beautifully.

Live harmoniously

Everything in a Bürstner is geared towards creating a harmonious interior. We pay attention to the appearance, but ergonomics and functionality are just as important. And that is exactly what defines the indescribable Bürstner feeling

Drive safely

Travelling with a feeling of security should and may be your only requirement. You can only expect the best from a Bürstner when it comes to chassis and drive technology. All models are based on chassis that are characterised by reliability and functionality. There are also numerous equipment options, standard or optional, that enhance the #wohnfuehlen.

Feel refreshed

What could be nicer than being able to refresh yourself after a long drive. A day at the beach or after doing sports? The day also starts much better after a warm, relaxing shower. An extremely functional bathroom with a fixed washbasin, pull-out shower head and window. Everything is thought of in a Bürstner campervan.

Clever arrangements

Anyone who is on the road, and sometimes for a long time, needs a space for big and small things. Bürstner strives to make optimal use of every millimetre and to develop clever solutions that give you maximum storage options. This is ensured by the functional wall units, the large loading area in the rear or the wardrobes, which can be found depending on the model.

Individual design

You are unique. And so is your Bürstner too. A wide range of paint variants, numerous upholstery options, diverse equipment packages and much more! The possibilities for personalising your dream campervan are endless! Only one thing counts: that you feel at home. Anywhere, anytime.

My Bürstner fits to me!

Experts in #wohnfühlen

You don't buy a campervan at will. You get information, you visit it, you compare and think. And when you finally decide, you can be sure that you have found exactly the vehicle that best suits your needs. We are aware of that! That's why we work with experts who are committed to making your wishes come true. You can rely on us 100% because we are passionate and have many years' experience working

for brands and products. We work ambitiously towards a single goal: that your Bürstner truly becomes your favourite place! Our headquarters are on the border between Germany and France – and this great opportunity. We get the best out of this European environment. German reliability and thoroughness paired with French joie de vivre and a sense of aesthetics. The best of both worlds for you.

Be connected. Even when you are on the go

There is something magical about starting a journey. The butterflies in your stomach. What experiences will the tour bring? It is good when you have entrusted yourself to a strong brand like Bürstner. Wherever you are, a Bürstner trade partner is always nearby. No matter whether it is a spare part, a service interval or just good advice. Good to know that you are part of the large Bürstner family.

Perfect living atmosphere

Enjoy the light and airy: This is one of the demands that characterise the interior design of every Bürstner. With the comprehensive climate and lighting concept, Bürstner always ensures a relaxing

atmosphere. Many useful improvements help you always feel comfortable inside the vehicle regardless of the outside temperature and that the holiday experience is remembered for a long time.

Our experience in action for you

Our vans carry the entire DNA of Bürstner: They are built in our German plant in Kehl, their furniture comes from our branch in Wissembourg, France. You benefit from more than 60 years of know-how in the production of leisure vehicles. Thanks to the reliability of our procedures, the competence of our employees and the uncompromising quality, you can be sure: with Bürstner you can look forward to your trip with ease! The best proof? The water ingress guarantee of 10 years on all our vehicles from 2019*.

* Requirement: one annual control of the from a recognised Bürstner partner is performed.

*More than a vehicle.

The design and colour of fixtures and fittings may vary from those illustrated, as is customary in the trade and due to the nature of the materials used. We also reserve the right to make technical modifications to the vehicle, provided that the overall quality of the product is not affected or is improved and provided that they do not render the vehicle unfit for purpose. Some of the photographs feature optional extras or decorative items which are not supplied as standard with the product.

The technical data in this catalogue were current at the time of going to press. Although we check the content carefully, we cannot guarantee that the document is free of printing errors. We reserve the right to make changes to the features and improvements to the model in the course of the relevant year. The design and colour of fixtures and fittings may vary from those illustrated, as is customary in the trade and due to the nature of the materials used. We also reserve the right to make technical modifications to the vehicle provided that the overall quality of the product is not affected or is improved and provided that they do not render the vehicle unfit for purpose. Before signing any contracts, please consult your local authorised Bürstner stockist for information on the latest products and models.

Any modifications to the factory condition of your vehicle may compromise its safety and roadworthiness. Please take heed of all the regulations relating to the safe use of your vehicle. Make sure that you are in possession of the correct driving licence to be allowed to drive a motorhome. Be aware of the "technically permissible maximum mass" of your vehicle and do not exceed this legal limit. Please note the axle load limits and make sure that the load is distributed according to the axle weight rating. Roof fittings and aerials will alter the height of the campervan. The overall length of the vehicle will increase if the rear ladder is fitted. The combinations of roof accessories which can be fitted on the vehicle will depend on the model in any given case.

Your Bürstner stockist is looking forward to seeing you!
